As you may know, I am running on both ballots for the office of **Magisterial District Judge** in District 49-3-02, which covers the Bellefonte area. I would ask that you consider the following as you cast your vote at the May 21st Primary:

- I have respected your privacy during the campaign.
- Magisterial District Court is a “**people’s court**” designed to allow “**non-attorneys**” to sit as judges and bring a balance of experience, common sense, and applicable law to the system.
- I am not an attorney or a police officer and, therefore, neutral and disconnected from those specific branches within our legal system.
- I am one of the only candidates to hold the required **State Certification** from the Administrative Office of Pennsylvania Courts to perform the duties of Magisterial District Judge.
- I am a fair and impartial resident of this community and treat everyone with the same respect.
- I have been a resident of Walker Township for more than 23 years.
- I have more than 25 years experience as a paralegal in Centre County, and a multitude of exposure with our court system.
- I have extensive experience in legal research, office management, staff management, debt collection and money management, all things necessary to affectively run this office.
- I stand firm in my religious convictions, I walk in my commitments, and I remain transparent to those around me.
